

CRYSTALLEX

NON CONTACT GLASS AND CHANDELIER CLEANER

Product information

- Spray cleaner to bring back the sparkle to chandeliers and other crystal and glass items and ornaments.
- All you need to do is protect the floor beneath the chandelier with cloth or newspaper, spray the cleaner on and let it drip off, taking the dust and dirt with it. It will dry to a streak-free shine with no need for additional cleaning with a cloth.
- Can also be used on glass and acrylic chandeliers and Tiffany-style lamps and on other difficult to clean objects.
- The product is water based, non toxic, non flammable and non corrosive.
